Coming G. O. P.  
Convention

## GENERAL WOOD LEADING FIELD

CHICAGO, May 20.—Uninstructed delegates and the delegates who will cast their first ballot for "favorite sons" will be in the majority at the Republican national convention opening here June 8.

The primary system, although in effect in many states, has failed to develop any outstanding candidate for the party's presidential nomination for 1913 already chosen.

Under the Republican convention rules a majority to nominate, or successful candidate must obtain at least 493 votes.

Forty-three states and five districts and territories have elected 913 delegates already chosen. The remaining 17 of the 984 who will sit in the convention are to be chosen by Oregon, Texas, Vermont, Washington and West Virginia.

Major General Leonard Wood leading the field with 145 delegates instructed for him. The credentials committee which meets here May 31 to decide candidates and prepare the temporary roll of delegates in the list of the instructed delegates as there are contests in Wood delegates.

Senator Hiram Johnson of California has an even 100 instructed delegates and Governor Frank O. Lowden of Illinois 78. Senator Warren G. Harding of Ohio, has 3 votes pledged from his home state and Judge Pritchard of North Carolina 17. Senator Miles of Indiana is expected to get the 4 votes cast by Washington.

The following table shows the delegates pledged to the four leading candidates.

The uninstructed and scattered vote of "favorite sons" are included in the last column.

**LIFE MAY SIT ON  
JURY WITH HUSBAND**  
Kalamazoo, Mich., May 20.—A life may sit on the same jury with her husband in Michigan, according to a ruling in circuit court by Judge George W. Welmer. Aaron Western had been accepted as a jurymen. When Mrs. Western was called, the judge made his ruling and asked her if she could make up her mind independently of her husband.

"I most certainly would," she replied and was accepted.

## SENATE ORDERS INVESTIGATION OF CAMPAIGN EXPENSES

Inquiry Will be Made Into  
all Money Spent by  
Candidates

WASHINGTON, May 20.—The senate today authorized an investigation of pre-convention campaign expenses and pledges of presidential candidates in the republican and democratic parties. Not a word was spoken of a vote cast against the proposal.

Senator Borah, republican of Idaho, author of the resolution demanding the inquiry, today reiterated the charges of excessive expenditure and placing the charge of political patronage against candidates.

Chairman Dillingham, of the elections committee, which is authorized to proceed with the inquiry called a session of the committee for tomorrow.

It was indicated that campaign managers of some of the candidates would be called as the first witnesses.

**Lowden Welcomes Quiz.**  
Chicago, May 20.—In commenting on the Borah resolution which passed the senate today ordering an investigation by a subcommittee into the presidential candidates campaign, including their contributions and expenditures or use of influence, L. L. Emerson, chairman of Frank O. Lowden's campaign said:

"When Senator Borah demanded an accounting of all campaign contributions and expenditures, Governor Lowden immediately replied that he was not willing to have the public know."

Chicago headquarters for Herbert Hoover issued this statement:

"That is fine. We welcome an investigation of what we are spending because it is so trivial."

Edgar J. Cooke, manager in charge of the Johnson headquarters here issued the following statement:

"We will at any time or any place designated, give to the senate of the United States or anybody else, a full list of monies received and disbursed by us. We will likewise give the names of contributors and the amounts."

Total cash and due from banks—Chicago banks, \$204,841,020, increase of \$3,988,036. Down state banks, \$394,548,048, decrease of \$3,349,533.

## REPORT ANOTHER MAN KILLED IN MATTEWAN RIOTS

Have Arrested Two  
for Shooting During  
Mine Disturbance

## STATE POLICE PATROL STREETS

MATTEWAN, W. Va., May 20.—The shooting from ambush of one man identified persons and two arrests were the chief developments in this region today following the battle here yesterday when ten or more persons were killed and a number of others wounded in a fight between Baldwin-Felts detectives and citizens.

Today's shooting occurred at Lynn, a small mining village three miles from Mattewan. According to reports received from Lynn, two men, said to be Baldwin-Felts detectives, were walking along a road near a dense woods when a volley of shots was fired from the forest. One of the men, "Bud" McCoy was shot in the thigh but he escaped from the village and went to a hospital at Welch where his wounds are being treated. The man who accompanied McCoy was not injured.

First reports of the trouble at Lynn were to the effect that three men had been killed. As soon as word of the shooting reached headquarters of the state constabulary here, a detail of troopers was rushed to Lynn. The constabularymen upon reaching the village could not verify reports of the shooting, so they left Lynn and scouted in the vicinity. On a road not far from the village, the troopers came upon two men, one of them wounded. They were arrested, one being brought to jail here and the other under guard placed in a hospital at Welch.

The situation in Mattewan tonight was quiet, with troopers and deputy sheriffs patrolling the streets.

**REPORT RELIEF  
BILL OUT OF HOUSE**  
WASHINGTON, May 20.—The soldier relief bill was reported out by the house ways and means committee after it had voted in include a ten per cent stock dividend tax retroactive to March 10, as part of the plan for financing the plan. Republican leaders plan to bring the bill before the house Saturday.

The final committee fight centered about the stock tax, ten democrats reinforced by three republicans succeeding by a margin of one vote in forcing adoption of the levy.

As the measure will come before the house it will provide five next tax levies amounting to more than \$500,000,000 a year for the next three years. Besides the stock tax, the levies include increased taxes on tobacco and in real estate sales and stock and grain exchange transaction.

Revenue thus produced would be used for paying a cash bonus to former service men or for the option in aiding them to obtain homes, farms, vocational training or paid-up insurance.

**CROSS EXAMINATION  
OF DANIELS STARTS**  
WASHINGTON, May 20.—Cross examination of Secretary Daniels will begin tomorrow before the senate committee investigating the conduct of the war by the navy department. Mr. Daniels concluded today reading his prepared statement in reply to Rear Admiral Sims' charges which he declared had been fully refuted by the testimony of brother officers.

The verdict of the members of the general board, as shown by their testimony, was ten to one against Admiral Sims and would have been eleven to one had Rear Admiral Sims testified, the secretary said.

**NATIONAL FIREMEN  
ELECTS OFFICERS**  
PEORIA, May 20.—J. Bart Foster, Oklahoma City, was elected president of the National Firemen's Association in the final business session here this afternoon. Other officers elected were: Vice president, E. C. Hitchcock, Council Bluffs, Iowa; secretary, John Mersh, Evanston, Ill.; treasurer, J. W. Risch, Crookston, Minn.; national organizer, Clarence Smith, Marion, Ind.; national statistician, Simon Kellerman, Edwardsville, Ill.

The place for the 1921 convention will be selected by the executive committee to be appointed next week by President Foster.

Washington, May 20.—The treasury department appealed today to the press of the United States to aid in improving the liberty bond situation by carrying in their columns a statement as to the intrinsic value of the bonds and their present prices.

**FOUND MURDERED IN  
CLUMP OF BUSHES**  
Chicago, May 20.—Joe Domenech, age 32, of Steger, Ill., was found murdered today in a clump of bushes near his home. He had disappeared Wednesday night while enroute home from work.

Police are hunting for a former roomer in the Domenech home who was ejected a month ago.

## METHODISTS RUSH WORK IN FINAL DAYS OF BIG CONFERENCE

Large Amount of Business is  
Transacted at Sessions  
Thursday

DES MOINES, Ia., May 20.—Two of the three publishing agents of the Methodist Episcopal church were elected at the general conference today on the first ballot. They are Dr. John E. Race, now in charge of the publishing house of the church at Cincinnati; and Dr. E. R. Graham, now publishing agent at New York City. N. W. Clair of Baltimore, was elected as one of the negro bishops today. The first ballot for the corresponding secretaries of the various boards of the church brought about the election of all the secretaries. They follow:

Board of Foreign Missions: Frank Mason North and S. Earl Taylor, both of New York; Board of Home Missions and Church Extension, David D. Forsythe, Philadelphia; Board of Education: A. W. Harris, Chicago; Board of Sunday Schools, W. S. Boyd, Chicago; Board of Christian Education, J. B. Heingely, Chicago; Board of Epworth League, Charles E. Guthrie, Chicago; Freedmen's Aid Society, I. Garland Penn, P. J. Maveety, Philadelphia.

The subcommittee on economic relations of the committee on state of the church, has prepared a report which, if adopted, will reduce the position of the church on a number of economic matters.

It proposes to put the church on record as favoring the entire abolition of child labor; the general principles of the minimum wages; working men's compensation insurance as a first charge upon industry; the adoption of a proper measure to reduce the periods of seasonal and cyclic unemployment; and old age pensions. The eight hour working day is favored, so that the workers will have sufficient time for recreation, recuperation, a normal family life, and a chance for cultural and religious growth.

## MARRYING GIRLS UNDER AGE NOT BIGAMOUS

CHICAGO, May 20.—Marrying two young girls under age does not constitute bigamy, it was decided by a jury in Judge Pam's court yesterday and Anton Barlow was found not guilty of charge. He married Freda Lazarus, sixteen, and later Charlotte Lazarus, fifteen. The jury held that his marriage to Miss Newman was not legal as she was under age. Hence his second marriage was not bigamous.

**ARMY BILL STILL IN AIR**  
Washington, May 20.—Efforts to work out an agreement on the army reorganization bill which the house has refused to accept because of its national guard provisions, will be resumed tomorrow by house and senate conference. The conference was called today by Chairman Wadsworth of the senate military committee and after the senate had refused to recede from its amendments and ordered the bill returned to conference.

**FAILS TO HEAR FROM  
SON; TAKES OWN LIFE**  
Chicago, May 30.—Failing to receive a letter from his son, who left for France six weeks ago on a pleasure trip, William Phillips, aged 85, killed himself today.

Three hours later a letter from the son, Edgar C. Phillips, arrived.

## REBEL LEADER AND VILLA WILL DISCUSS TERMS

Future of Bandit Depends on Outcome of Parley

## OTHER NEWS FROM MEXICO

**IN CAMP WITH GENERAL VILLA, BOUQUILLAS, Chihuahua, Mexico, May 19, via El Paso, Texas, May 20.**—(By The Associated Press.)—Peace and a return of normal conditions in northern Mexico depend on what guarantees leaders of the latest Mexican revolution give General Francisco Villa.

General Villa at his camp here told the Associated Press in an exclusive interview his plans for the future. Villa is resting here with his personal band of eighty men awaiting a conference with General Peliaz Calles, minister of war for the revolutionists.

The conference, Villa said, will determine whether the revolutionary and bandit leader will return to private life or once more take the field in bushwhacking campaigns which have made him notorious.

Calles is enroute here from Juarez on his trip to Mexico City. He must confer with Villa for Villa will not go to Calles, Villa said.

Villa trusts Calles, "more than any other man" in the revolutionary movement, he said, but his real attitude cannot be seen from the fact that horses of the band are constantly saddled at night under the watchful eyes of sentries and all approaches to the camp are guarded by Villa's scouts. At a moment's notice the band is ready to mount and flee or fight according to the direction of their leader.

**Carranza Uncaptured.**  
Mexico City, May 19.—(By The Associated Press.)—Colonel Gabriel Barrios, an Indian chieftain who is in control in the mountain state of Puebla, into which President Carranza and his companions are reported to be fleeing for refuge, has offered adherence to the revolutionary plan of Agua Prieta, according to information received from unofficial but reliable source.

Barrios, it is said has been ordered to capture Carranza but to give him full personal guarantees.

Dispatches from Tampico say that General Manuel Poles, military governor of Tamaulipas, is organizing a column for the pursuit of Carranza.

General Obregon returned to Mexico City today after a brief visit to San Luis Potosi.

A parade in which 30,000 soldiers will take part is being planned for May 24, when the extraordinary session of congress will be opened.

**Force Payment of Taxes.**  
Washington, May 20.—An implied threat by the de facto government of Mexico to force oil producers to make prompt payment of export taxes was revealed today in a belated message from the American embassy at Mexico City to the state department.

The department of finance was quoted as ruling that the taxes for March and April must be paid within five days after May 3 and that no extension would be granted.

The largest oil companies have not paid the taxes, but neither their representatives nor the state department received notification of any punitive action by the Mexican authorities. The companies explained that they hesitated to make payments only because they could not determine whom the money should be paid. The state department ruled the companies would be protected if taxes are paid to the treasury in charge.

Disputes in the mountains of Puebla near Tuxpan. Governor Cabrera, former member of Carranza's cabinet has established a state government at Zacatlan and the indications were that Carranza might make the little mountain state his headquarters until driven out.

**WILL GO TO MINNESOTA U.**  
Champaign, Ill., May 20.—Dr. Clarence W. Alvord, professor of history at the University of Illinois and editor-in-chief of the Centennial History of Illinois, has resigned from the faculty of the University and has accepted a position at the University of Minnesota. He became a member of the University of Illinois staff in 1897. Twenty-two years ago he received the Loubat prize for the best work on American colonial history during the five year period.

## PRICE CUTTING WAVE CONTINUES IN FAR WESTERN STATES

San Francisco and Ottumwa, Ia. Among Cities Joining Movement

CHICAGO, May 20.—While the continued spreading of the price cutting wave was noted in central and far western states today, Chicago bankers expressed satisfaction with the financial situation, one man declaring that the liquidation of stocks by merchants would greatly aid in bringing credit back to normal.

The price lowering movement, while not general in Chicago, was aided today by action of stores in Ottumwa, Iowa, and San Francisco.

In connection with the reductions, Nebraska women were asked today by that state's fair price commissioner to notify their merchants that they would not pay higher prices for clothing next fall.

The convention of the International Association of Garment Manufacturers, meeting today at St. Louis pledged its members to manufacture and sell garments at the lowest possible prices. According to a survey taken by the Cleveland Manufacturers association of the Cleveland garment industry, prices of women's wearing apparel will go no higher, unless it was stated, labor and material costs be advanced.

**Continued Hunt of Profiteers.**  
WASHINGTON, May 20.—Regardless of the spreading of price reductions, Assistant Attorney General Garvan, announced tonight that the government's effort at hunting down profiteering merchants thru investigation of profits made by individual stores had been extended to more than a score of cities. Tactics employed by the "flying squadron" of the department of justice in New York, were being employed, he said, in the larger cities from coast to coast.

While Mr. Garvan declared he was gratified at the price drop reported in nearly every community and did not believe the department deserved too much of the credit, he would not endorse claims of some merchants that they were actuated by patriotic motives.

Mr. Garvan said there was a "very general campaign" on now by several national trade associations which he said were attempting to nullify efforts to bring down prices.

The National Suit, Cloak and Skirt Manufacturers' association, Mr. Garvan said had decreed that "skirts and coats must be longer for fall and winter and he had telegraphed state chairmen of women activities in the price reduction campaign them to stick together to defeat such a plan.

The action of the bankers who pledged themselves at a conference here Tuesday to restrict loans and compel liquidation of "frozen credits" was certain to have a most beneficial effect, Mr. Garvan believed.

**RAIL LABOR BOARD  
MAKES LITTLE PROGRESS**  
CHICAGO, May 20.—Notices were sent today to 154 general chairmen of railroad maintenance of way employees calling them to a meeting here June 2 to discuss the "interminable discussions" row being held by the railroad labor board. Labor leaders refused to make any predictions concerning action which may be taken at the meeting, but declared that they wanted to know how long the labor board was going to continue its "interminable discussions."

E. T. Whiter, chairman of the conference committee of the railroads, presented a quantity of statistics to the board today intended to show that yardmen in former years had received large pay increases. He also urged that the differential between day and night employees be re-established so that night men would receive higher pay and declared that the zone system by which the scale of wages is adjusted according to the cost of living in any particular section should be re-established.

**MRS. EMMA BERGDOLL  
FOUND GUILTY**  
PHILADELPHIA, May 20.—Mrs. Emma C. Bergdoll, widow of a wealthy brewer was found guilty on four charges of wantonly pointing firearms but was acquitted on bills charging conspiracy and assault and battery with intent to kill by a jury in the quarter sessions court here today. She was fined \$50 and costs on each bill, making a total of \$279. The charges against Mrs. Bergdoll resulted from a raid by police and department of justice agents on her home, when her son, Grover, now serving a five year term at Fort Jay, Governor's Island, for desertion from the army, was captured.

**PRESBYTERIANS IN SESSION**

**GERMANY'S DEBT INCREASES**  
Berlin, May 20.—Germany's floating debt is increasing by three billion or four billion marks per month, Gustav Bauer, minister of finance told the national assembly yesterday.

## ARTERIAL SYSTEM STATE HIGHWAYS IS CON CON PLAN

Would Provide Levy  
of Tax for Road  
Construction

## HOT DEBATE OVER PROPOSAL

SPRINGFIELD, Ill., May 20.—Construction of an arterial system of highways to connect with the proposed state bond issue roads will be facilitated in the opinion of some Illinois constitutional convention delegates by sections of the article on county and township government approved today by the basic law legislators. One section would permit county authorities to levy a tax of not to exceed 75 cents per \$100 valuation to be used for highway construction provided the legislature designates that the county shall be the unit for the levy and collection of taxes for road and bridge purposes.

The other section would permit the general assembly to enact laws providing for the construction of highways, the cost to be assessed in part against the property to be benefited. The provision is contained in this section that laws for the construction of these roads must be initiated by a petition signed by a majority of the owners of the lands which would be subject to the special assessment and that these owners shall hold not less than one third of the lands.

**Passed Over Opposition.**  
Both sections were passed only after strong opposition had been offered by Delegates Joseph Fifer, of Bloomington and Cicero J. Lindley, of Greenville.

With the adoption of the two sections the convention contemplated consideration of the article on county and township organization in committee of the whole. Opponents of the two sections expect to continue their fight when the article is presented for final adoption.

Consideration of the report of the committee on corporations and cooperative associations was begun this afternoon. It was decided to retain the section on corporation article in the present constitution.

Following debate on a motion of Delegate Levi Mayer of Chicago, to eliminate section 2 from the article the delegates decided to adjourn until Tuesday and resume consideration of the section on that day. This section gives the right of cumulative voting to every stockholder in a corporation. Opponents of the section, including Delegates Mayer and Henry I. Green, of Champaign, declared the section, which also is in present constitution, has driven hundreds of corporations to organize in other states than Illinois. Delegates Oscar Carls, of Alton and G. Gale Gilbert, of Mount Vernon, declared the fight for retention of the section, declared it was the only safeguard for the rights of minority stockholders.

The text of the sections of the county and township article adopted follows:

Section 12.—County authorities shall never assess taxes the aggregate of which shall exceed 75 cents per \$100 valuation, unless authorized by a vote of the people of the county; but if the general assembly shall provide that the county shall be the unit for levy and collections of taxes for road and bridge purposes, then county authorities an additional tax for construction improvement of public highways and bridges which additional tax shall not exceed 75 cents per \$100 valuation unless authorized by a vote of the people of the county.

Section 13.—The general assembly shall have the authority to enact laws providing for the construction and improvement of public roads and highways in part by special assessment to be levied upon the property benefited by such construction and improvement, whether such construction and improvement lie within one township or county, or two or more townships or counties; provided that such laws shall contain provisions that all such construction and improvement shall be initiated by a petition signed by a majority of the owners of lands proposed to be scheduled to such special assessment, who shall be the owners of not less than one third the area of said lands.

No one can doubt that the growth of the moving picture industry is a wonder of the age. Practically all of the development has come in a decade and all of it within twenty years. In one large city a \$750,000 building is now being erected merely to house film exchanges. Investment in the business these days runs to colossal figures.

Reports show that only 140,000 persons in Illinois paid an income tax for the past year. This sounds like a very small number when compared with the total population of the state and when considered in connection with the known prosperity. Other significant figures for comparison are

that 400,000 people in the state own automobiles. Evidently more than half these car owners do not have incomes in excess of \$2,000 a year.

Judging from the large amount of space which some of the Democratic newspapers are devoting to talk about a breach among the Republicans and formation of a third party, they are perfectly aware that with the Republican party united, it will win an overwhelming victory.

Marshal Foch has warned the French people that they must be prepared for another war. Living as they do, just across an imaginary line from Germany and remembering the German activities of 1864, 1866, 1870 and 1914, it is not likely that the French will fail to follow the Foch advice.

Estimates made indicate that the country will be short 100,000 school teachers next fall. Considering these figures, it is quite easy to understand why salaries of most country school teachers have been increased and why in so many cities people have willingly voted for increased taxes in order to make higher salaries for teachers possible.

It isn't so very long ago that Lincoln Steffens and some other muckraker specialists were referring to the constitution of Mexico as the foremost document recently penned. It was this same group of writers who a year or two ago considered the republican form of government adopted in Russia as the last word in governments. It seems to take more development than can come thru pen, ink and paper to make a satisfactory constitution.

It has been often said but cannot be repeated too often, that the permanent settlement of the differences between capital and labor can only come where there is a fair and just recognition of the rights of both. The rule of selfishness and greed must end before that day of understanding comes. It frequently happens that the words "selfishness" and "greed" apply alike to capital and labor in their doings.

A good deal of correspondence is going on between Gov. Allen of Kansas and Samuel Gompers, president of the American Federation of Labor, about their debate which is to take place in New York City May 28. They haven't agreed upon a subject but will talk about the industrial court and the effort to settle labor troubles thru court tribunals.

If the principals in this debate are to discuss the subject without limit, the debate can easily run thru several days. There is no questioning the right of the people to adopt a law providing for an industrial court but there may be something wrong about the underlying principle, the ef-

fort to dispose of labor troubles by repressive measures.

Some merchants protest against the price slicing program that is sweeping the country. They declare that it is fundamentally wrong and that permanent relief cannot come until the question is handled in a more direct basic way than is possible in merely considering retail prices. There is something to this contention if the merchants can show that after disposing of their stocks they are unable to replenish their shelves and counters except at very high prices. Certainly there must be the much talked of increase in production before lower prices are here permanently.

Representative King of Illinois brought out some evidence along this line down in Washington the other day. He showed that more than 70,000,000 lbs. of unsold condensed and evaporated milk is now being held in New York City and that a year ago the stocks totaled only a little more than 8,000,000 lbs. He said it is possible to withhold this vast quantity of milk from the market because of the financial methods that the federal reserve banks have made possible. Now that these banks are tightening up, it is reasonable to expect that some of the big stocks of goods now said to be withheld from the market will be turned loose. Eventually these same stocks may find their way into the hands of retailers at less prices than they are now asked to pay.

## MIGHT TEND TOWARD HARMONY.

There appears to be something of a movement on the part of prominent Republicans calculated to induce the Republican national convention to name a southerner as the candidate for vice president. Among those who have announced themselves as favorable to such action are William Howard Taft, Nicholas Murray Butler, Senator Freylinghuysen, of New Jersey, Senator Jones of Washington, Governor Henry J. Allen of Kansas, and Congressman Frank W. Mondell, floor leader of the house.

The movement was started in the state Republican convention of Virginia, which endorsed Colonel Henry W. Anderson, a Richmond attorney, for vice president. Such action undoubtedly would be "good politics," particularly as relating to the border states which have shown a marked Republican tendency in recent years. But far more important than this, it would be a far reaching step toward political reconciliation between the sections. Republicans will be much better equipped to such action as the remnants of the late Thomas J. Reed. The witnesses examined were Taylor Reed and Dr. H. C. Woltman. The jurors were J. L. Tayman, foreman; B. B. Ridgway, T. A. Ebbrey, Scott P. Carter, T. C. Patton and Walter DeShara, clerk. The verdict was that death was the result of malignant condition of the stomach.

### OVERALLS.

I bought a suit of overalls, a suit of dingy blue, with creases down the outer walls, and bib and tucker, too. And all my neighbors did the same, and everyone in town, to knock the profiteering game, and bring the prices down. The rich men in their gilded halls with poor men fell in line; we all were wearing overalls, and feeling mighty fine. At last we'd found a useful way to curb the rising cost, and make the profiteering joy feel like an early frost. And then the price of denim rags went soaring to the moon; the dealers sprung the same old gags, and crooned the same old tune. The honest toiler in the ditch could not afford to buy new overalls—we idle rich had sent the price sky high. The honest workers everywhere in fig-leaves were arrayed; the dealer had no duds to spare—we'd bought his stock in trade. We wore our overalls a week, and then the thing grew stale; we took and threw them in the creek or hung them on a nail. And thus a great reform, my dears, was to the discard hurled; and still the busy profiteers are fencing in the world.

## REBEKAHS GAVE MINSTREL SHOW

The Morning Glory club, a group of the members of Rebekah lodge Caritas No. 625 presented a blackface minstrel show last evening in the I. O. O. F. Hall on West State street.

The members of the lodge are divided into groups and No. 5 and six are combined and call themselves the Morning Glory Club. The session last evening which was largely attended was begun as an open meeting and the minstrel show given as a part of the program. Mr. and Mrs. Ray Spilman are not members of this club but they very kindly assisted. Arthur Reeve and Homer Woods, also had part in the excellent program.

The evening was most enjoyably spent by those present. The committee in charge was Mrs. W. P. Spilman, Mrs. J. J. Reeve and Mrs. A. C. Baldwin.

## Social Events

### Circle No. 4 Met

With Mrs. Williamson.

Circle No. 4 of the First Baptist church met yesterday afternoon with Mrs. A. B. Williamson, on Jordan street. There was a good attendance of the members and much work was accomplished. There was a short business session and the remainder of the afternoon was spent in a social hour during which the hostess served refreshments.

### Helping Class Met

With Mrs. Wheeler.

The Helping class of Hebron church met yesterday afternoon at the home of Mrs. Walter Wheeler. There was a good attendance of the members and several guests present.

The program consisted of readings by Mrs. Ed Hairgrove and Mrs. Albert Hopper, and music on the Victrola.

A short business session was followed by a social hour during which the hostess served refreshments.

### Mr. and Mrs. A. T. Capps

Entertain Grace Choir

After the regular rehearsal of the Grace M. E. church choir Thursday evening, under the direction of Mr. Henry Ward Pearson the members were entertained at the home of Mr. and Mrs. A. T. Capps, 504 North Church street. The time was spent in a most delightful social manner, interspersed with music on the Victrola. An appetizing menu was served in cafeteria style and altogether the hours were happy ones.

Mr. and Mrs. A. T. Capps are members of the Music Committee of Grace church and other members present were Mr. and Mrs. M. E. Gilbert and Mr. and Mrs. W. B. Rogers.

The members of the choir present were: Mr. and Mrs. Norman Campbell, Mrs. Herbert J. Capps, Mrs. Maude Moore, Mrs. E. D. Canatsey, Misses Helen Massey, Hilma Samples, Mary Rose Adams, Ruth Elizabeth Coe, Maerita Poole, Irene Groves, Hubert Littler, Willard Wesner, B. F. Lane and the director, Mr. Pearson.

## RESOLUTIONS.

Inasmuch as God Almighty has seen fit thru His infinite power and wisdom to remove from among our midst our friend and brother, Joseph Weed.

Be it resolved that we very deeply feel the loss of a dear friend and brother. Be it therefore resolved that the loss of our friend we may more fully understand the uncertainty of life and the more certainty of death.

Be it resolved that we may strive more fully to live in such a manner that when he that gave us comes to take us away we may be prepared to meet him over there.

Be it resolved that we spread a copy of these resolutions on our records and send a copy to the bereaved family.

## RESPONSIBILITY NOT FIXED BY JURY

Coroner's Inquiry Held to Learn Cause of Augustus DeFrates Death—Verdict Declares Death Due to Shock From Injuries in Railway Crossing Collision.

After full consideration of the evidence of a number of witnesses the jury empaneled by Coroner Rose to inquire into the cause of the death of Augustus DeFrates, returned a verdict without fixing responsibility. Mr. DeFrates was one of the persons injured last Saturday when a Wabash engine came into collision with a street car at the North Main street crossing. The verdict of the jury was to the effect that Mr. DeFrates' death was due to shock resulting from numerous injuries received in a collision between Wabash local engine No. 822 and a street car of the Jacksonville Railway & Light Co.

The jury included William Batz, foreman; R. Lee Rexroat, George F. Brown, Charles L. Mathis, T. A. Ebbrey and Walter DeShara, clerk. The witnesses examined were: G. W. Ragan, flagman for the Railway & Light Co.; John P. Meany, manager produce department Swift & Co.; Moses D. Nixon, Wabash engineer; Clyde Arnold, Wabash fireman; Robert Duncan, Wabash flagman; F. E. Travers, Wabash brakeman and Dr. Carl E. Black, surgeon.

Mr. Ragan, the flagman, testified that after he left the street car to walk to the Wabash tracks that he saw the engine approaching from the west and signalled to the street car motorman to stop. He said that he raised his hand and yelled to the motorman but he did not think the latter understood the signal. He said that he did not hear the engine bell ring or the whistle.

John P. Meany testified to certain facts about giving assistance to Mr. DeFrates and others of the injured passengers. He said that he did not hear the engine bell or whistle and further that the gates were not in working order.

The testimony of Moses Nixon, engineer, was that he stopped the engine as soon as he received the signal from Brakeman Travers, who was on the footboard at the rear of the tank. He said that the engine bell was working automatically and that he blew the whistle before coming to the crossing.

F. E. Travers, brakeman, who was on the foot board of the engine at the rear of the tender when the collision occurred, said that he was about 15 feet from the crossing when he saw the street car. He gave the "wash out" signal which means to stop immediately. He described the speed of the engine as about eight miles an hour.

Robert Duncan, flagman, said that he signalled to the street car men three times to stop and said further that he did not notice the railway company flagman give a signal. He said that the bell of the engine was ringing.

In the testimony of Dr. Carl E. Black he described the injuries of Mr. DeFrates and said that death was due to shock resulting from the injuries.

### OBITUARY.

Lilla Ellabeth Gordon was born in Lynnville, Ill., Morgan county Oct. 16, 1833, being the fifth child of William and Nancy Gordon. She grew to womanhood in this vicinity, where she spent the most of her long and useful life, with the exception of the last few years when she has made her home with her children.

Her education was received in the common schools, and later, she was graduated from the Old Jacksonville Female Academy, in 1855, this institution being among the best of that day.

She was a musician of the old school and has delighted many with her beautiful voice. She was married to Charles W. Jones of Woodford county, Illinois, in 1859, which companion preceded her in death Feb. 15, 1911, a little more than a year after celebrating their fiftieth wedding anniversary.

Surviving their union are four children, Charles G. Jones and Mrs. N. B. Westover of Springfield, Ill., Dr. R. R. Jones of Woodson, Ill. and Mrs. E. W. Crum of Waverly, Ill., two grown children preceding her in death, Samuel F. in 1882 and Mrs. Emiline Gillham in April of 1916.

There are twenty-six living grandchildren, one sister-in-law, Mrs. Margaret Heaton, of Jacksonville, Ill. Her brothers and sisters preceding her, she being the last of her generation. They were David, William and John Gordon, one half brother, Samuel Heaton, Mrs. Mary Carter and Mrs. Sarah G. Beesley. Until recent years she was an active member of the Lynnville Christian church, where she still retained her membership, and a life long member of the C. W. B. M. of that place.

This long and useful and beautiful life came to a close Monday morning, May 17, 1920 at 8:15, being at that time, 86 years, 7 months, and one day old.

Aunt Lilla, as she was familiarly known, leaves a host of nephews, nieces and friends by whom she was greatly beloved and who are left to mourn her loss.

Funeral services will be held at 10 o'clock Monday morning at the home of the bereaved.

Interment will be in the Jacksonville cemetery.

Missionary Society of M. E. Church Meets With Mrs. Noel Wiley — Other News From Alexander

Alexander, May 20.—A meeting of the Women's Foreign Missionary society of the Methodist church was held Thursday afternoon at the home of Mrs. Noel Wiley. There was a large attendance of the members and a number of visitors also attended. A great many matters of business were up for consideration and these consumed practically the entire meeting hour. An interesting paper was presented by Mrs. J. W. Reif, and a number of instrumental numbers were furnished by Mrs. Lester Gray. A brief social time followed the business session, during which the hostess served delicious refreshment.

Mrs. James Ledford of Springfield, who has been a guest at the home of her mother, Mrs. Mike Wiegand, has returned to her home.

Mrs. E. J. Edmonds of Alexander, who has been visiting friends in New Berlin, returned home Thursday.

## Sure Death to Corns

"Gets-It" Makes 'Em Lose Their Grip and Lift Off Painlessly.

The first thing "Gets-It" does when it lands on a corn or callus is to snuff out the pain. Then it shrivels the corn or callus and loosens it.

Soon, it is almost ready to fall off. You help it just a little by lifting it off with your thumb and finger. You don't even feel it, because there is no hurt left in it. Millions have proved it the cleanest, surest, safest and most pleasant method. "Gets-It" is the never failing, guaranteed money-back corn remover. Costs but a trifle at any drug store. Sold in Jacksonville and recommended as the World's Best Corn Remedy by Armstrong's Drug Stores.

### EXHIBITION SHIPS FOR AMERICAN GOODS

American Manufacturers Urged to Adopt Idea of British and Japanese for Displaying American Goods in Foreign Ports.

Louisville, Ky.—American Manufacturers and commercial organizations are being urged to adopt the idea of the British and Japanese and send exhibition ships abroad to display American goods in foreign ports. The idea has been proposed to the American business men by H. G. McLean, assistant foreign traffic manager of the Southern Railway System, who has suggested that shipping board vessels be fitted out as exhibition ships to carry American products to new markets and thus meet the competition of the British and Japanese manufacturers.

IT'S the man of farsight and vision that turns the conditions of today to his future advantage. The dollar of today looks mighty small in relation to its buying power and most of us are getting a sufficient number of those dollars to meet our current cost of living and few dollars over. But the days are not far off when that dollar will grow in purchasing power and when it does the dollars will not be so plentifully or generously circulated. The man who saves those little dollars now and puts them away in a safe Savings Bank will find they have grown tremendously in importance and usefulness when dollars are scarcer and when the spendthrifts and improvident have carelessly failed to conserve against future opportunity and need.

Now is the time to save—now while the dollars are easy to get. You cannot "eat your cake and have it too." So let's save the cake for a time when it will be most substantial and harder to procure.

Save those little 1920 dollars. They'll be mighty big dollars in 1925, or before.

### HOTEL FOR BOYS IS CHICAGO MAN'S AIM

Plan of George W. Brown Would Prove Desirable Home for Stray Boys in Big City.

Chicago—The stray boy who for dinner flattens his nose against the bakery window and who at night sleeps with grown up tramps in the park or in the back alley shed, will come upon better days if the plan of George W. Brown, of Chicago works out. A hotel for boys, to be operated so far as feasible by boys, and fitted up in a way to attract the youngster who finds himself in vast Chicago temporarily or permanently without a home, is the idea of Mr. Brown, who for a decade, has given most of his time to volunteer work among homeless boys. His work has brought him in touch with juvenile court officials in many cities and he has enlisted their support in his efforts to obtain a "transient hotel for boys" between the ages of 14 to 17. Joseph Tumulty, the president's secretary, a schoolmate of Mr. Brown, has lent his aid to some of Mr. Brown's betterment schemes.

"The Y. M. C. A. conducts in Chicago, a transient hotel for men a high skyscraper, calculated to give it tenants clean surroundings, morally and physically, but homeless boys under 17, huddled of whom drift into Chicago every week, may rely on the dangerous expedient of seeking a rooming house, or, if without funds may sleep behind ash barrels," Mr. Brown said today. "I have housed scores of these boys in my own home until jobs and recurrent pay-days of decent surroundings can do for them."

"The large and properly conducted hotel for which we are working, and which will not be a 'Boys Home,' will be equipped to do for thousands and thousands of kids what my feeble efforts have accomplished for a few hundred."

### URGES INCREASED CABLE FACILITIES

U. S. Ambassador Morgan Urges Improvement in Facilities Between New York and Points Along American Coasts.

London.—Increased cable facilities and the establishment of regular, fast passenger and freight services between New York and other points along the American coasts down to Buenos Aires are two of the most important matters to which North and South Americans should give their attention, Edwin V. Morgan, United States ambassador to Brazil, told The Associated Press representative here on the eve of his departure for Rio de Janeiro. "Business men in the United States find they are greatly handicapped in the conduct of their South American interests thru the inadequacy of direct cable and steamship facilities," said Mr. Morgan. "There has been much discussion of this matter and, happily, some improvement has been effected and others are now under way. But North American business men still regard with trepidation a voyage from New York to Rio. And he has somewhat the same fears over sending goods by the same route. British, Italian, French and Dutch companies have always provided more speedy, convenient and regular ocean transport facilities than those of the North or South American lines."

"The need is not for services better than those provided from this side, but for services equally as good. The matter is of sufficient importance to require the finding of a solution of difficulties now in the way."

Boudoir talks with Sybel on how cocoa butter improves the complexion

Sybel initiated me into the mysteries of her boudoir this morning. Though she motors and golfs constantly, I learned for the first time how she keeps such a smooth, satiny complexion.

"Rouge, my dear? Why I scarcely know the meaning of the word."

"My mother's old French maid, Nanette, taught me a lesson years ago far more valuable than any my governess ever taught me and that was that cocoa butter works miracles in one's complexion."

"I've discovered a cocoa butter cream called Coco-Bloom and it's the only cream I use. It is smooth and soft with a deliciously clean odor. It also contains other ingredients of benefit to the skin. I use it as a cleansing cream at night and one reason why I never need to powder my face at dances is because I use Coco-Bloom as a foundation for the powder rather than the so-called vanishing creams. I rub the cream in well then wipe it off with a coarse towel and apply the powder."

"The trouble with most women is they don't realize that the constant dabbing of powder dries the natural oils that feed the true skin lying under the outer skin. If we would look youthful and have natural color, instead of being dried up and yellowish looking, we must nourish this skin."

"Remember, Coco-Bloom is cocoa butter cream, and it supplies exactly what is needed to make your skin healthy."

## WHERE THERE IS A WILL THERE'S A WAY

Another demonstration of the fact that people can get what they want if they will go after it was the securing of a fireless cooker for the Domestic Science Department of the Illinois Women's College.

The department has been in great need of a fireless cooker for a long time and at last it has one due to the efforts of Miss Marion Munson, of Rushville, and a number of other students in the department. They bought an excellent cooker and presented it to the department and paid for it with money they made selling sandwiches and ice cream cones on May Day. Yesterday Miss Munson gave a demonstration of the work the cooker could do.

## MEMORIAL SERVICE AT WINCHESTER MAY 30

Interesting Program Announced for Memorial Day Service—Commencement Week Events to Take Place in Near Future.

Winchester, May 20.—Memorial services will be held Sunday afternoon, May 30 at 2 o'clock in City Park, providing weather is favorable. This will be the program:

Music—High school band.  
Call to Order—Presiding officer.

Invocation—Rev. W. B. Morris.

Song, America—Chorus.  
Lincoln's Gettysburg Address—James Tankersley.

Music—Double quartet.  
Solo—Roy Phears.

Address—Judge Norman H. Jones, Carrollton.

Music—Double quartet.  
Star Spangled Banner—Chorus.

Adjournment to cemetery where graves will be decorated and closing exercises held.

Mrs. F. H. Allen returned Thursday to Rock Island to attend the funeral of her sister.

Baccalaureate service for the high school will be held next Sunday evening at the Methodist church. Rev. W. B. Morris will deliver the address.

Invitations have been issued for the junior senior banquet to be given next Monday evening at the Christian church.

The funeral of the late Henry Daniel was held Thursday afternoon at the Christian church. A large number of friends and relatives accompanied the remains from Bluffs, where the deceased passed away at the home of his daughter, Mrs. Albright, following an attack of apoplexy.

Rev. A. J. Reed of the M. P. church at Bluffs had charge of the services and music was furnished by Miss Reed of Bluffs, Mrs. Demereth, Mrs. Lankford and Miss Wells of Winchester. Interment was in the local cemetery, the bearers being Thomas Killbrew, Milton Curtis, Jesse Evans, Harry Christensen, Lee Brown and William Brown.

Pioneer lodge No. 70 I. O. O. F. expect to celebrate their 70th anniversary Friday evening in their hall and will initiate eleven candidates.

The senior class of the high school will give their class day program next Wednesday evening at the Christian church. On the evening following, May 27 (the 8th grade commencement will be held in the Methodist church.

Friday evening, May 28, the high school commencement will take place at the Methodist church.

Mrs. Randolph Little, Mrs. Thomas Kirkman, Mrs. Thomas Pike, Misses Pearl, Mabel and May Wilson, Doll McLaughlin, motoré to Roadhouse Thursday evening to attend a session of the Royal Neighbor lodge.

AN IMPORTANT TELEGRAM FOR T. B. REEVE

A telegram received by T. B. Reeve yesterday announced the arrival of a son at the home of Mr. and Mrs. Robert Scott, Sacramento, Cal. Mrs. Scott before her marriage was Miss Etha Reeve of this city. This made Mr. Reeve a grandfather and he was naturally very much elated over the message.

Mrs. Helen Brown Read, Considerable interest is being centered upon the song recital of Mrs. Helen Brown Read which will be given at the Congregational church next Tuesday evening. As the proceeds are for the benefit of the building fund of that church it is likely that many friends will greet Mrs. Read in her first public appearance in Jacksonville since her return from California where she has been spending the winter.

For the past year Mrs. Read has been under contract with the First Church of Christ, Scientist, at Long Beach, as soloist, and has maintained a studio at Los Angeles. In addition to this she had several engagements with clubs and societies, and had she not returned to Jacksonville would have taken up symphony orchestra work. Her return to Jacksonville at this time was the result of her promise to aid the church building fund with a concert at this season. Mrs. Read has always been a favorite in Jacksonville and the committee in charge of the advance sale of tickets report a very satisfactory sale which indicates that the church will be well filled on next Tuesday evening.

Should the weather be rainy or too damp, the picnic dinner will be served within the hospitable home of Mrs. Pitner. It is hoped all members will attend this picnic, as the annual business meeting will be held after dinner and Mayor Crabtree will speak on the life of civic pride league.

Miss Enid Hubbs was down to the city from Prentice yesterday. D. Aerrule of Bloomington was a caller in town yesterday.

## G. O. P. Convention Snap-Shots

## The Story of 16 Nominations

By A. H. Vandenberg

## FOURTH CONVENTION

The fourth Republican National convention coming on the heels of Johnson's debate—found Republicanism solidly welded together by the fires through which it had passed. The delegates assembled at Chicago May 20, 1868.

Their mandate was a foregone conclusion. Indeed, the convention was so impatient to nominate General Grant that some of the delegates sought to precipitate a decision before the convention was ready.

Carl Schurz of Missouri was temporary chairman; General Joseph R. Hawley of Connecticut presided permanently. General John A. Logan finally presented Grant's name to the convention in a single sentence, and promptly the convention gave him its complete total of 654 votes.

Six roll calls were necessary, however, to name a vice president.

Benjamin F. Wade of Ohio led on the first four. Schuyler Colfax of Indiana passed him on the fifth—the defection from Wade being led by delegates from his own state—and Colfax was nominated on the sixth.

The platform renewed the party's guarantee of equal male suffrage, reiterated the pledge to redeem the public debt, denied the European theories of inde-feasible allegiance under which no naturalized American citizen could ever entirely throw off the yokes of alien nativity, and bespoke encouragement to immigration.

Grant's letter of acceptance comprised but 210 words, completing the record for brevity which Logan began when he nominated Grant in fifty-five words.

(Continued tomorrow with the story of the fifth convention.)

Studebaker Owner Drives Car 35,000 Miles in Year Not a Cent for Repairs.

Much of distance covered was over mountains—Car in excellent shape at end of grind—Record of John Stout of Sonora, Cal., remarkable, yet not so much so when quality of car considered.

Covering 35,000 miles in a year, much of it over mountainous country, and spending not a cent for repairs, is the remarkable record set by a resident of Sonora, Cal., John Stout by name, in his Studebaker Big-Six. Just as remarkable is the fact that at the end of the long grind a careful inspection showed no indication of the hard usage the car had seen.

Mr. Stout's car, purchased in January, 1919, was placed in service running out of Sonora as a stage and rent car.

Back of Sonora there are many miles of the kind of roads that motorists see when they have had bad dreams, and it is this type on which the Studebaker was run most of its 35,000 miles.

"That a car should do 35,000 miles with absolutely no trouble of any kind other than an occasional puncture is quite remarkable in itself," declared an expert who went over the car at the conclusion of the distance. "This automobile not only did that but was in excellent shape at the end of its long grind."

"The transmission in this time was never cleaned out, and the differential, crank case and transmission had no attention other than the adding of more oil from time to time. When the car was ready to reassemble, it was found that the gears showed almost no sign of the distance that had been traveled."

I have several 1920 5 and 7-passenger Studebakers ready for immediate delivery. Prices will advance June 1. Get in now, on the old price.

## Oxfords in Which a Girl Doesn't Count Every Step

Here is an oxford designed for growing girls, yet so restful that maturer women much on their feet ask for it by name. It has a one-inch sports heel, a stylish street toe, and swagger wing-tip decorations. This Walk-Over oxford carries the weight of the body so well back on the heel that out-door young women wear it to keep their feet feeling fresh and young. You can be fitted perfectly in it.

### WILL DISCUSS NEW MARKETING PLAN

District Conference Will be Held  
Here June 15th by State Agricultural Association.

Representatives of the grain marketing department of the Illinois Agricultural association are coming to Jacksonville June 15. This information was conveyed to G. B. Kendall, county agent, Thursday in a telegram received from W. G. Eckhart of that department of the association. It is planned to have the meeting at 2 p. m. Tuesday, June 15.

Members of the executive committee of the Illinois Agricultural association, bankers, elevator men, and others from all over this the 20th congressional district, are expected to attend. This will be one of a series of conferences the grain marketing department will hold in practically all of the down state congressional districts.

Plans are under way for material changes in grain marketing methods to be effective the current crop year and these changes will be distinctly beneficial to the grain growers.

### FUNERAL OF MR. EPLER AT PLEASANT PLAINS

The funeral of the late Stephen A. D. Epler was held Wednesday at the family home near Pleasant Plains. The deceased had so long been a resident in that locality and was so highly esteemed that there was a very large attendance at the services. Rev. J. O. Kirkpatrick of this city was in charge and took as his text Second Peter 1:13. "Yea, I think it meet, as long as I am in thy tabernacle, to stir you up by putting you in remembrance."

The minister also presented the general facts about the useful life of the deceased. Interment was in the cemetery at Pleasant Plains.

Felix E. Farrell, a nephew of the deceased, was among those in attendance.

## NO VERDICT IN TAX CASE FROM WAVERLY

Testimony and Argument Continued All Day Thursday—Peoples Cases Set for Next Week.

The hearing in the suit of A. C. Moffet vs. George L. McMahon, involving the payment of taxes in 1916 occupied practically all the time of the circuit court Thursday. The closing arguments were made by Ed D. Henry for the complainant and W. N. Hairgrove for the defendant, and the jurors were instructed later in the afternoon. No verdict had been returned when the journal went to press Friday morning.

In the suit of J. W. Hankins vs. H. E. Frye, in which the jury found in favor of the complainant, a motion was entered by the defendant to set aside the verdict and ask for a new trial.

In the divorce suit of Ashford Ator vs. Frank E. Burbank, et al., brought to quiet title, the master's report of evidence and conclusions was filed, together with the objections to the conclusions. The cause was ordered presented to the master.

In the divorce suit of Ervin Mann vs. Myrtle Mann, a default order was taken against the defendant and decree for divorce entered on the ground of desertion.

In the divorce suit of Mayme B. Goodman vs. Olive J. Goodman, a divorce was granted the complainant, the charge of infidelity being sustained. The complainant was given the custody of the children.

### Peoples Cases Will be Heard.

The coming week will be devoted to people's cases. The docket setting fixed Monday for the trial of Chester Paxton, who was charged with larceny. However, Paxton entered a plea of guilty to petty larceny and was ordered to pay a fine of \$25, spend a day in jail and restore the property. Paxton admitted stealing a lap robe and a basket ball from the buggy of Clarence York in an alley in the business district Christmas eve of 1919.

The trial of Amos Sutton charged with grand larceny is set for next Tuesday. He is accused of stealing hogs from the farm of Thomas Cain east of the city one day last summer.

Another case is also set for Tuesday is that of Alva Grimmett who is under indictment for burglary and larceny. He must answer the serious charge of having stolen a supply of wine from the cellar of W. N. Hairgrove's residence one night last January.

Wednesday, May 26, the Charles Magill cases are set for trial. There are indictments pending against him for false pretence and confidence game, the charges relating to the collection of money for oiling work done. Mr. Magill's attorneys are J. Marshall Miller and J. O. Priest.

Thursday, the 27th, the trial of Zennie Ritchie on the charge of murder is set for trial. Ritchie is the man who shot and killed Lucile King, a colored woman, in the kitchen of the Pacific hotel a few months ago following a dispute.

The trial of George Monroe, who is known as the Alexander bank robber, is also set for that day. The case of John Bridges of Waverly is set for Friday, May 28. At the last term of court Bridges was tried on a statutory charge and the jury disagreed.

Jacksonville Chapter, No. 3 R. A. M., will hold a special convocation this evening at 7:30 o'clock. WORK. Visiting Companions welcome.

W. P. Spillman, E. H. P. John R. Phillips, Secy.

## Deaths

**Crone.**  
Mrs. Nancy Anna Crone died Thursday morning about 3:30 o'clock at Our Saviors hospital. The deceased was born in Green county in 1848, she was married to Robert J. Crone, who preceded her in death one year ago, and lived most of her married life in Woodson. After her husband died, she lived in Woodhouse a short time and then came to Our Saviors hospital where she has been for a number of months. The remains were removed to Williams undertaking parlor and prepared for burial. She is survived by one sister, Mrs. Thompson, living in California. She was a member of the Christian church of Woodson. The funeral will be held Saturday at 1:00 o'clock in the Woodson Christian church. Burial will be in the Henry cemetery.

**McGrath.**  
The death of Mrs. Mary A. McGrath occurred at 5 o'clock Thursday afternoon at the home of her daughter, Mrs. John W. Merrigan 340 East College street. Mrs. McGrath was one of the long time residents of Jacksonville and many people will regret to know of her passing. Her maiden name was Mary Anne Hennessey and she was born Nov. 4, 1843, in County Tipperary, Ireland. Her girlhood days were spent in that locality and in 1868 in London, England, she was married to James McGrath. Shortly afterward they came to the United States and lived for a few years in New York City. Then they decided to come to the west and Jacksonville was chosen as their place of residence and the home was established here.

Mr. McGrath, who became a respected citizen of the community, passed away seven years ago. Five children were born to them. Mrs. John W. Merrigan of this city, John McGrath, St. Louis; Father Thomas McGrath, of Illinois; Margaret and James, now deceased.

Mrs. McGrath was a member of the Church of Our Saviour and was ever faithful to the teachings of the church and interested in its growth and welfare. Her home and her friends were only secondary to the church in the thoughts of the deceased and many can revere her memory because of her kindness as a neighbor. When trouble or sickness came into the home of any friend she was among the first to offer assistance and so thru long years she went on doing deeds of kindness and making for herself a place of high regard in the estimation of friends and acquaintances.

Altho in feeble health for a number of years, Mrs. McGrath has been seriously ill only a few weeks and her useful life came to its quiet end at the hour mentioned.

The funeral service will be held Saturday morning at 9 o'clock at the Church of Our Saviour.

Next fall's prices will be much higher on OUTFIT FLANNEL Pants and night shirts. Prolong those you have by buying Nainsook, Muslin, or some other light weight materials, now of FRANK BYRNS Hat Store, where the restful sleeping garments are sold.

## Funerals

**Wood.**  
Funeral services were held Thursday afternoon at 2 o'clock for Joseph Wood at the residence of his mother, Mrs. Abram Wood, on West College street. Rev. T. H. Tull, pastor of Grace M. E. church, officiated.

Interment was in Jacksonville cemetery and the bearers were William Stull, Gilbert Snyder, George Kellar, Fred Hutchison, Edward Cosgriff and George Fredlander.

### DeFrates.

Funeral services in memory of August DeFrates were held Thursday afternoon at the family residence on Doolin avenue. Dr. W. E. Spoons, pastor of Northminster church, had charge of the services. The minister referred in a very appropriate way to the life of Mr. DeFrates, who was a consistent member of Northminster church.

A large company of friends assembled to thus indicate respect for the memory of Mr. DeFrates, whose death came as a result of the railroad accident which happened last Saturday. The many beautiful flowers were in charge of Mrs. W. E. Day, Miss Eva Vasconcellos and Mrs. J. R. Curtis. Appropriate music was furnished by Mrs. James A. Scott and Mrs. Jennie DeFrates, with Mrs. Sardina at the organ.

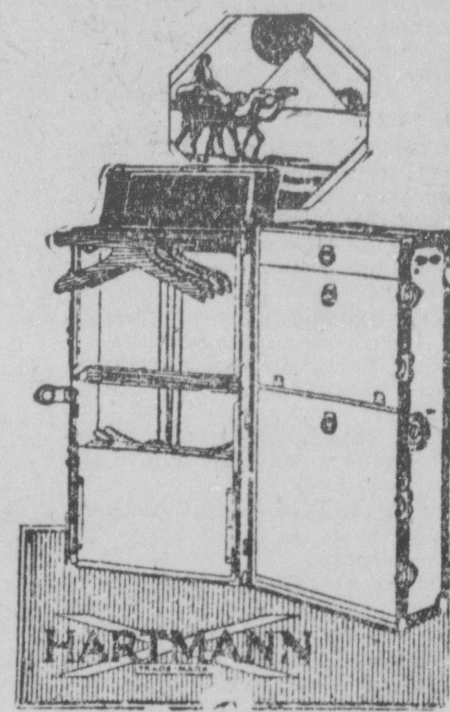

Burial was in Jacksonville cemetery and the bearers were J. H. Vasconcellos, J. A. Smith, E. M. Baptist, Joseph Baptist, William Moore and Asa Robinson.

### MELVIN MEYERS FUNERAL WILL BE HELD TODAY

The remains of Melvin E. Meyers, who met death recently at Detroit, arrived in Jacksonville Thursday and were taken to the Gillham undertaking rooms. Later they were conveyed to the residence, 1340 West Lafayette avenue, where the funeral will be held at 2 o'clock this afternoon. The services will be in charge of Rev. W. H. March, pastor of State Street church and the Pythian service will be conducted at Diamond Grove cemetery.

Mr. Meyers, who was manager of the electrical department of the King Motor Co., was stepping into a car when in some way he slipped and was thrown under the wheels of a truck, fracturing his skull. Death was almost instantaneous.

### PRESBYTERIANS MEET IN PHILADELPHIA

Commissioners from all Over Country Gather for Opening of General Assembly—1920 Meeting of More Than Usual Interest.

Philadelphia, May 20.—Eskimos, Cubans, Porto Ricans, Indians and mountaineers from certain sections of the South, are among the 1,000 Presbyterian commissioners who are arriving for the opening of the Presbyterian General Assembly here tomorrow.

The gathering will continue until May 28 and among the important subjects slated for discussion will be: The organic union of various evangelical churches, a federal union of churches holding the Presbyterian system and the relation of women to the church and to industry. Other vital topics will deal with the work of the New Era and Inter-church movements, against which several Presbyterians have directed criticism. A recommendation, it is said, will be introduced urging that the Presbyterian church sever its connection with the \$300,000,000 interchurch movement now under the direction of 30 Protestant denominations.

**Prominent Men on Program.** Governor Sproul of Pennsylvania and Mayor Moore will welcome the representatives to Philadelphia. Other speakers it is expected will include Vice President Marshall, Commissioner of Education Finley of New York, Provost Smith of the University of Pennsylvania and President Butler of Columbia University. Twelve or more boards and agencies of the church, at preliminary meetings were held in some of the local churches today to determine various matters of importance to be brought before the general assembly.

The 1920 meeting is of particular interest by reason of the fact that it will celebrate famous anniversaries, notably the centennial of the founding by the church of a general educational society having control of fifty-seven colleges and academies.

Business sessions of the general assembly will be held at the Academy of music.

All the sessions will be open to the public. A choral and pageant program, with 300 voices, will be one feature at a meeting Friday evening. Speakers will include Dr. Robert E. Speer, general secretary of the Board of Foreign Missions, Sam Higginbottom, lay missionary and "preacher of the plow," of India, and the Rev. Frank W. Bible, a former missionary to China. On Wednesday evening, May 26, the Board of Home Missions will have a popular meeting and on Sunday afternoon preceding, Dr. Nicholas Murray Butler, will speak on "The Nations Religious Obligation and Religious Opportunity."

Among the men prominently mentioned for election as Moderator to succeed Dr. John Willis Baer of Pasadena, Cal., are: Robert Johnston, St. Louis, a layman; the Rev. Dr. H. C. Swearingen, St. Paul, Minn.; the Rev. Dr. S. S. Palmer, Columbus, O.; the Rev. J. B. Laird, Philadelphia. The election will be held tomorrow.

### REV. W. E. COLLINS HOME FROM WILMETTE

Local Congregational Minister Attended Congregational Conference of Illinois—Local Church School Wins Recognition.

The Congregational conference of Illinois closed its sessions last night. The minister of the local church, the Rev. W. E. Collins, was the secretary of the state meeting and was elected to preach the Conference sermon next year. The church school in connection with the Jacksonville Congregational church received fourth place in the three hundred and fifty church schools of the state for general efficiency. Oak Park First Church was first, Wilmetta second, Morgan Park third and Jacksonville fourth. Prof. G. T. Scott of Illinois College was appointed to the State Board of Religious Education and L. S. Doane was nominated for state representative of the National Council. Statistics showed an increase of over twenty-five hundred in the membership of Congregational churches in this state, the increase in the enrollment of church schools was over five thousand.

The Conference memorialized the Constitutional Convention through its president and clerk to give careful consideration to the question of the use of the Bible in the public schools and recommended that permission be given to use the Bible in the schools of Illinois.

Reports of the Congregational World Movement and the Pilgrim Memorial fund showed that these enterprises were more than successful in their appeals. Next year the annual meeting which will be the seventy-ninth annual conference will be held at Mt. Sterling, Illinois.

### GARDEN TEA AND STYLE SHOW

The Home Economic Department of the Illinois Woman's College will present its annual exhibition this year as a Garden Tea and Style Show. This will take place Saturday afternoon on the back campus of the college. In case of rain, it will be held in the Harker Hall Society halls.

Girls wearing the dresses and hats which they have in the sewing and millinery classes will serve the guests. The girls in the classes in cookery will prepare the refreshments for the tea.

The Home Economics Department has done very interesting things this year and friends of the department and of the college will be glad of this opportunity to visit the department and see a few of the results of the year's work. All of those interested are invited to the Garden Tea and Style Show.

## KANSAS WHEAT NOW IN FINE CONDITION

State's Wheat Crop Stages Phenomenal Comeback, According to Reports of Agricultural Bureau.

Topeka, Kan., May 20.—Kansas' wheat crop is staging a phenomenal comeback according to reports of agricultural bureaus, both state and federal. Revived by an abundance of rains after the driest winter ever recorded in the state's great central wheat belt, it is now declared to be in excellent condition in early all parts of the state. Based on conditions on May 1, the Kansas agent of the U. S. Department of Agriculture recently estimated the crop this year will be 92,082,000 bushels. Last year Kansas produced approximately 150,000,000 bushels.

The present prospect, in relation to the national output, is that Kansas will produce 19.2 per cent of the country's crop of winter wheat, as compared with 30.6 per cent last year. The unfavorable winter season took a heavy toll on the acreage of 9,193,000 planted last fall. The federal report says 16 per cent has been abandoned, leaving a

present acreage of 7,725,000. In some counties, ordinarily among the most heavy producers, the abandonment exceeds half the number of the acres planted. The report stated that as a rule farmers took little chance of having to harvest a thin crop, because of the scarcity and high price of labor and threshing. A convention of farmers recently set 70 cents an hour as a fair wage of harvest labor. The harvest this year probably will start late in June in the extreme southern countries.

## HEAVY SELLING ON STOCK EXCHANGE

NEW YORK, May 20.—Another impressive selling movement took place on the stock exchange today, the bulk of the enlarged dealings, according to popular opinion, again representing involuntary liquidation resulting from the increased tightening of credits.

Standard shares suffered in equal measure with speculative issues, testifying to the insistent nature of the offerings. In the final hour, following a dip of prices to the day's low levels, a spirited rally set in, and oils and sugars leading at extreme gains of 2 to 27 points. Steels, equipments and motors also were carried upward by the rebound, which effaced many of the more extensive losses of the session and contributed largely to the almost steady close. Sales totaled 1,350,000 shares.

Liberty bonds kept pace with the stock market, rallying briskly from their low records, but the general bond list was heavy. Total sales, par value, aggregated \$31,750,000.

## KANSAS FARMERS ARE BEHIND WITH WORK

Little Rock, Ark.—According to the May report of the Kansas co-operative crop reporting service, Arkansas farmers are suffering less from industrial service than farmers in other portions of the country. They are behind in their farm work, however, the report states, due to excessive rains, and are suffering somewhat from labor shortage.

Losses in livestock, except sheep, are declared to be greater in Arkansas than in other portions of the country, the report declares. The rice acreage this year is declared to be 70 per cent of last year's acreage and its condition 85 per cent as compared with 98 a year ago.

### SHARP REACTIONS IN CORN MARKET

CHICAGO, May 20.—Sharp reactions took place in the corn market today from the weakness that has been the rule of late. Liquidation appeared to be ended for the time being, and there was persistent commission house buying in small lots. Prices closed strong, 3/4 to 4 cents net higher, with July \$1.71% to \$1.71% and September \$1.61% to \$1.61%. Oats gained 1/2 cent to 2 cents and provisions 20 cents to 47 cents.

At first, the corn market had a downward tendency apparently in continued response to the bearish credit situation and to the drastic measures reported as having been begun for the purpose of relieving the railroad traffic jam. It was not long, however, before general notice was attracted by the nearly complete absence of the selling pressure which during the last few days had tumbled values down 14 cents a bushel. Under such circumstances, the commission house demand soon made itself felt.

Oats were governed by the action of corn. Foreign buying of lard gave a lift to provisions after early weakness due to sympathy with grain.

### Farm Bureau Notes

#### Pig Club Work.

H. F. Wolter, assistant State leader of Junior Extension and the county agent have visited Franklin, Murrayville, Chapin and Arcadia in the interest of pig club work. In general they have not gone to places where there has not been any interest shown in the work. At Franklin the club will make a show locally at the time of the Farmers Institute and have taken hold of the project in a very encouraging way. At Murrayville, J. A. Lietze is pushing the project and it will certainly come across. At Chapin C. E. Drake and Alfred Anderson are helping to locate the boys. Owing to school being out it is much more difficult matter to get eligible boys and girls in groups to explain the project.

#### Shearing Demonstration.

The first of these demonstrations will be given at C. E. Drake's, northwest of Chapin at 1:30 p. m. Monday, May 24. Proper method of docking and castrating of lambs will be shown. Something will also be said about the wool pool. The sheep men in that locality are invited to attend.

W. V. Gousseff, secretary of Illinois Duroc Breeders' Association will be here May 28th to organize a Duroc Breeders' Association.

#### Men's Night Shirts and Pajamas in many weights are shown by FRANK BYRNS.

#### BACK TO ILLINOIS.

H. P. Mawson of the west part of the county was a caller in town yesterday. He is a brother of Robert D. Mawson residing south of the city. He went to Missouri 21 years ago settling in Clay county where he did very well. Cards Defeat Phillies. St. Louis, May 20.—St. Louis made it two straight by defeating Philadelphia today, 6 to 4. Gallia made his first appearance in the National League and was removed after the fourth because of wildness. Sherdel, who relieved Jacobs, and Betts who displaced Gallia, did not allow a runner to reach base.

Philadelphia, May 20.—Rueher held the Brooklyn batters safe at all times today and with perfect support shut out Brooklyn, 7 to 0. Smith was hit freely in the first six innings and in the seventh gave way to Marquard, who was wild and ineffective. The Reds hit safely in every inning and every man on the team got at least one hit. Score:
